What is USM?

Urban Street Mission (USM) is an outreach activity that opens new opportunity for the young people to be involved in serving the community. During the USM, the YPM will go to downtown to share the love of Christ to the homeless through giving out sandwiches or gift cards. Our prayer is that this opportunity in ministering through distributing lunches or gift cards would open a door for us to share with them the hope we have in Christ through our salvation. Also, we hope that this opportunity will become a training ground for all the young people in the YPM.

We hope that your youth can join us for the Urban Street Mission activity. If you have any questions or concerns regarding this event, please contact Pastor Alex or Jorel Gatuz.
